**Payment:**

A deposit of \$50 must be paid in advance via e-transfer or using debit or cash in-person, in order to hold your date.

The outstanding amount for any/all pre-ordered add-ons must be paid at any time prior to the start of the party booking.

**Waivers**

ALL guests must complete a waiver prior to entering the premises – this includes all adults. The easiest is to tell your guests to complete the waiver online at any time before the party.

**Socks**

All guests must have clean socks. No shoes or bare feet. This includes all adults.

Guests may purchase socks from The Park YXE, if they forget to bring their own.

**Capacity**

Our current capacity is 30 patrons. This includes 1 staff member who must be on the premises during the private party rental. Therefore, your party must comprise of no more than 29 individuals (this includes adults and babies). If the capacity regulations change prior to the start of your party, we will call to inform you. If the capacity decreases and can no longer accommodate your party, you will be refunded in full.

**Food/Beverage Consumption**

Food and beverages must be consumed in the café area. No food or beverages are ever allowed on the carpeted portions of the premises, in the bathrooms or on any play equipment.

**Temperature checks and Sanitization**

All guests will have their temperature checked and will be asked to either wash their hands with soap and water or use sanitizer prior to entry. Those refusing temperature checks, with a temperature over 100.4F

and those who refuse to wash/sanitize their hands prior to entry, will be refused entry. No refund will be given in this case.

### **Other**

If you have any other requests or things that you would like brought/done inside the premises which have not been covered in this document you must inform us and ask for permission a minimum of 48hrs in advance. **Permission must be given in writing (email is sufficient)**. Guests who state they were “told” they could do/bring something inside, will not be accommodated.

For example: Sometimes guests have entertainment they would like to bring inside. A magician would generally be allowable, but a face painter would NOT due to the fact that face paint smears. Therefore, we would also not allow anyone with a pre-painted face inside either.

\*Aggressive guests and dangerous, abusive or violent behaviour will not be tolerated. Should you or your guests become abusive, destructive or a danger to themselves or others, they may be asked to leave the premises and the private party may be cancelled as it is happening. Should a party be cut short while it is happening due to aggressive, abusive, destructive or dangerous behaviour, no refund will be given and the host may be charged for damages incurred.

### **Cancellations**

Cancellations will be refunded in full up to 2 (two) weeks prior to the start of the rental booking.

Parties cancelled less than 2 weeks in advance will be refunded, excepting the deposit of \$50.

\*\*\*This does not include cancellation due to any changing government regulations, such as those regarding capacity – as described under Capacity. Should your party be cancelled due to a change in provincial regulations which make the party impossible, you will be refunded in full, up to the hour of the rental.\*\*\*
